Dedication

In gratitude, the 1958-59 Senior Class dedicates this annual to Mr. Royd J. Hodge. His unceasing work and jolly personality have made him a favorite of all the students.

Mr. Hodge, our math instructor, is also the sponsor of the Pep Club and Boys' Intramurals. During the summer, Mr. Hodge heads our recreational program, which consists of the Babe Ruth League and the Little League. His interest in students and student activities have made him an outstanding teacher.

In recognition of all his efforts, we, the Senior Class, are proud to dedicate this year's annual to Mr. Royd J. Hodge.

Administration

Mr. William Menough, High School Principal

Mr. Menough began his teaching career at MacDonald School in 1936, where he taught until joining the Army in 1943. In 1945 he returned to teach Social Business in the high school for five years. In 1950 he became principal of MacDonald School and two years later became principal of the High School.

As high school principal, Mr. Menough has been an able and efficient administrator. His fine sense of humor and ability for organization has effectively handled the problems that have arisen during the school years.

Mr. Menough is a graduate of Wellsville High School, received his Bachelor of Arts degree from Ohio Wesleyan University in 1934, and his Master of Education degree from the University of Pittsburgh in 1941.

Dr. Seward E. Daw Superintendent of Schools

Dr. Daw first taught at rural schools, and soon became principal of the Muskingam County Village Schools. He has also been Superintendent of Wellsville Schools since 1922. Under his skillful guidance, the new MacDonald Elementary School and the Daw Junior, which was named after him, were built.

Dr. Daw received his Bachelor of Arts degree from Muskingam College, his Master of Arts Degree from the University of Chicago, and his Doctor of Philosophy Degree from the University of Pittsburgh. He is co-author of an elementary spelling book, "My Speller," and is the author of a series of readers, "The Successful Living Series." The Wellsville Schools are fortunate in having such an outstanding educator as head of its school system.

"Mac" and "Goose" are two of the busiest men in our high school. Besides their usual work as custodians, we are sure to find them at all the school activities.

Ruby S. Henthorn, High School Secretary

After graduating from Wellsville High School, Miss Henthorn attended Ohio State University. Then she took an extension course at the University of Pittsburgh. She was employed in an insurance office for four years and another four as secretary at MacDonald Grade School. This is her first year at Wellsville High School. Miss Henthorn always greets everyone with her kind and cheerful personality.

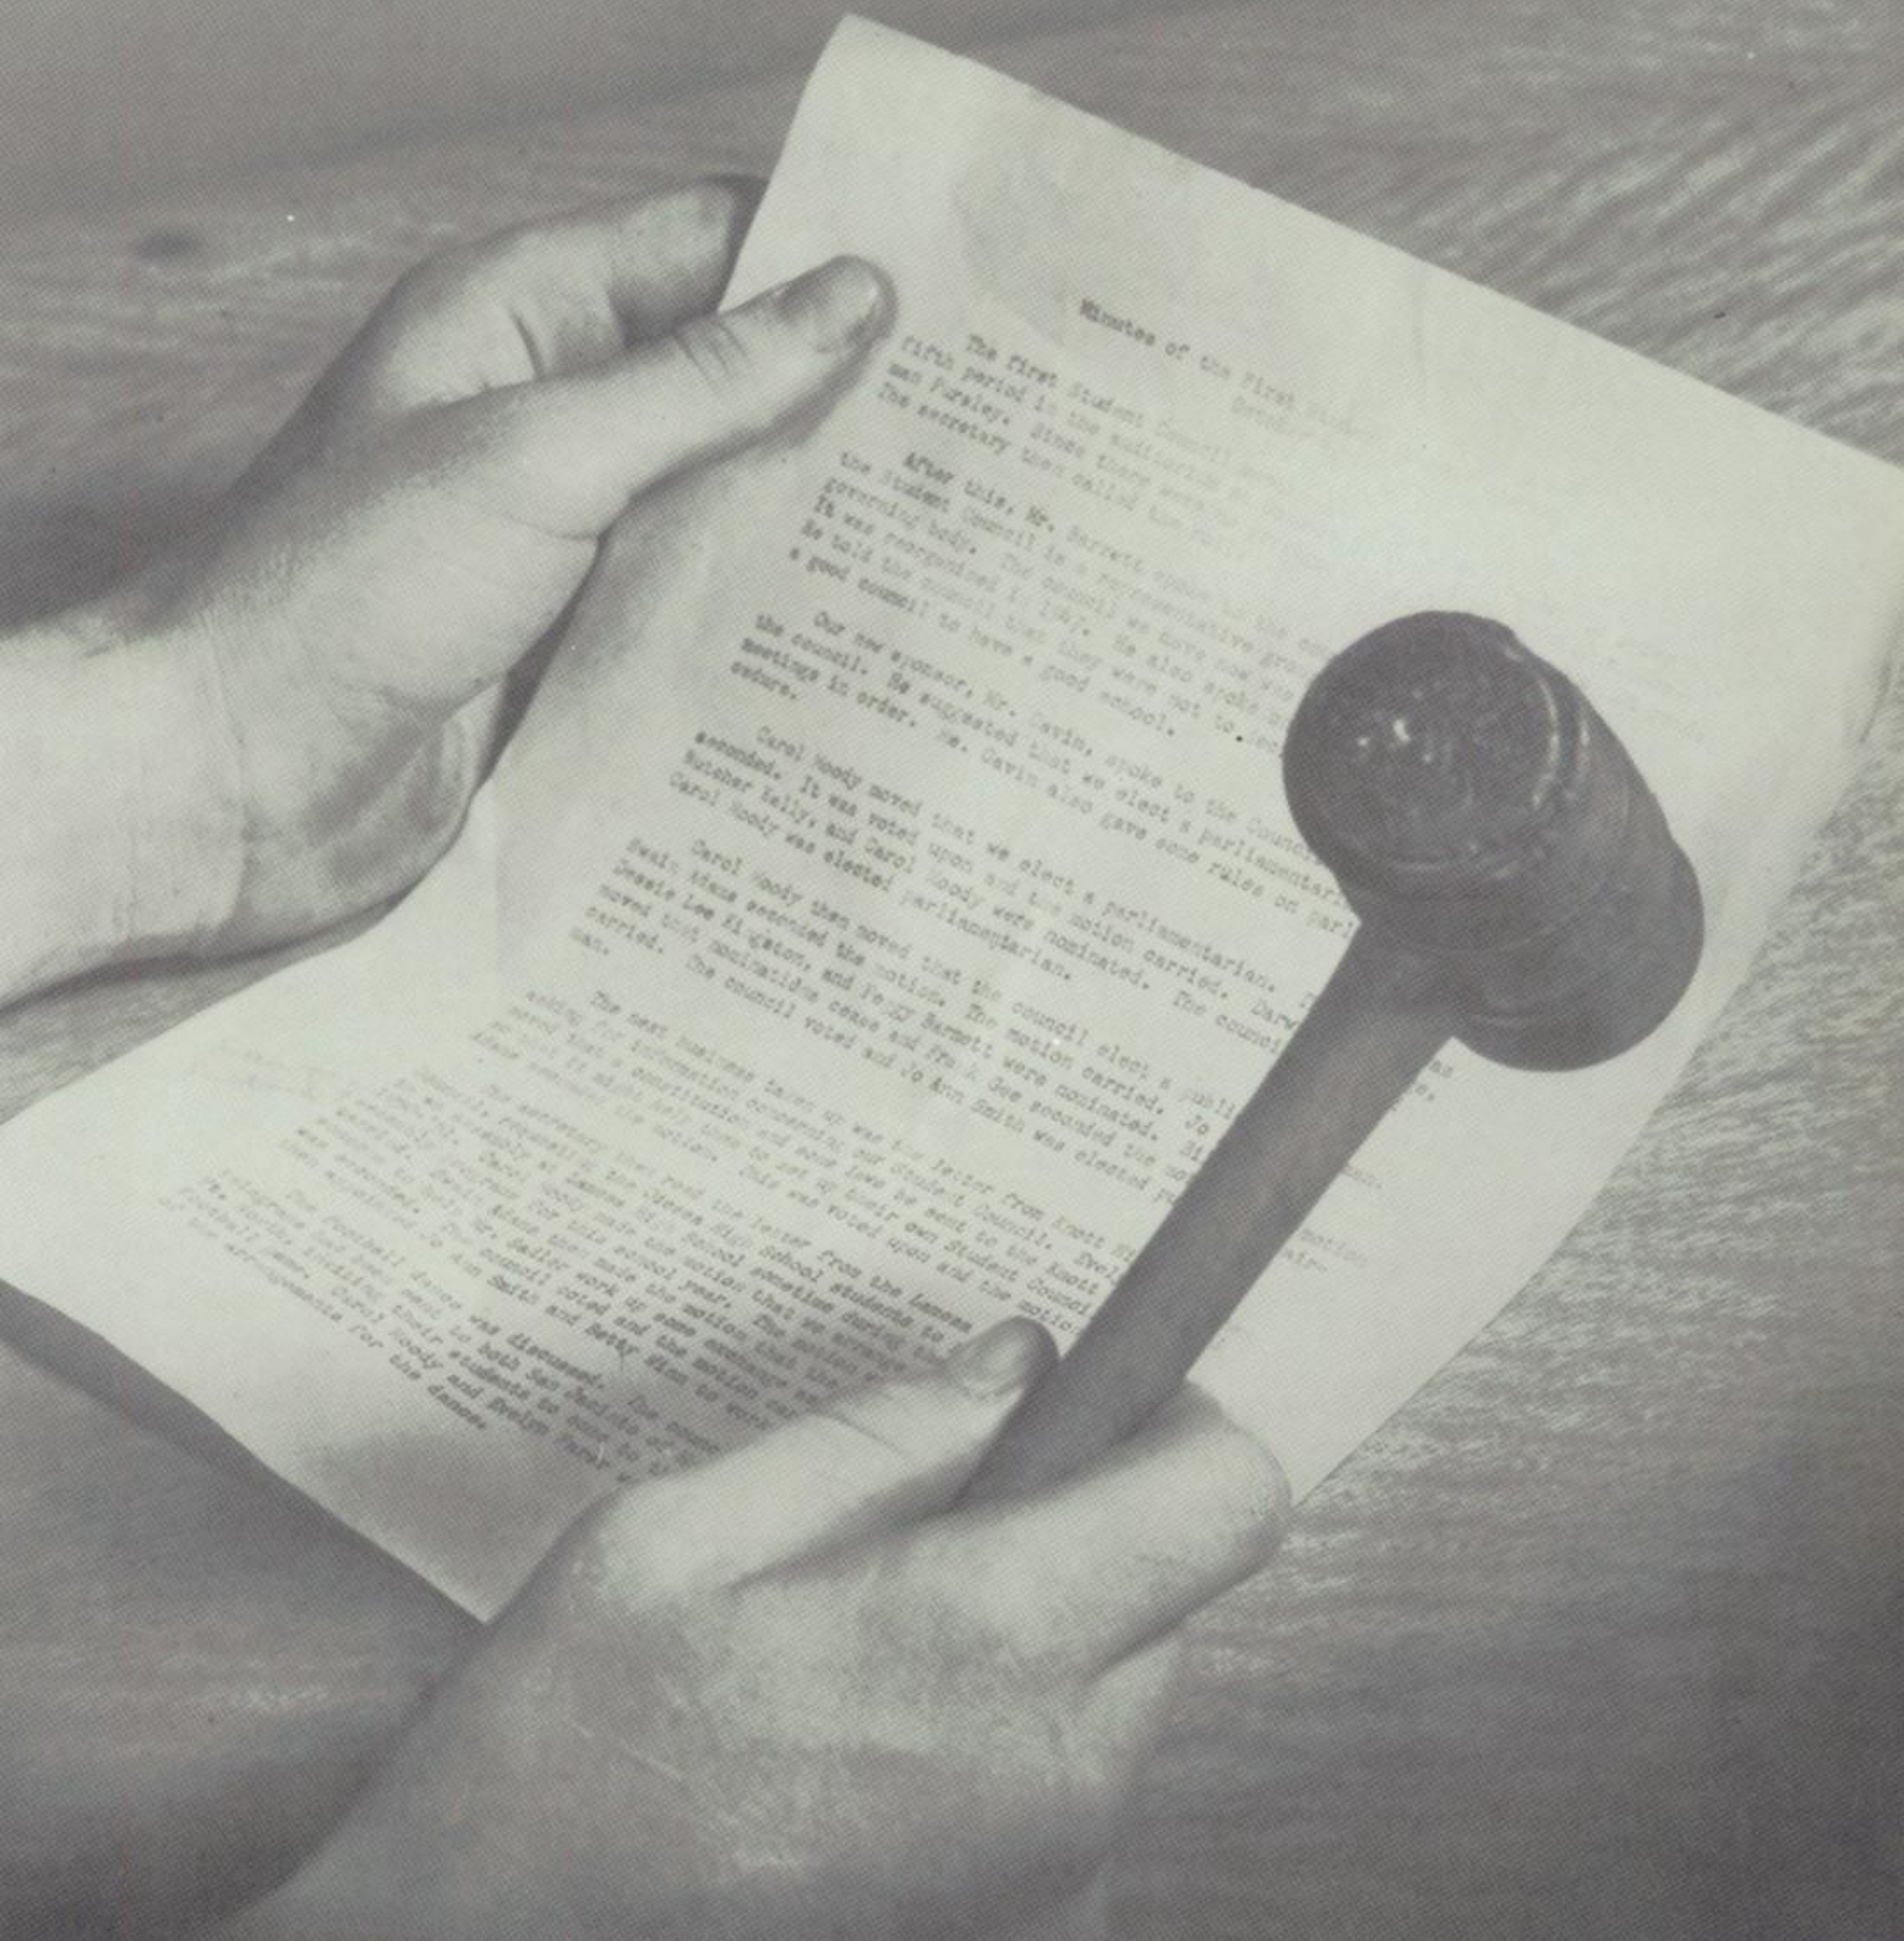

These Girls Help in the Office

The six senior girl office helpers are Sondra Barnes, Lou Ann Betteridge, Carolyn Heffner, Emily Johnson, Joyce Johnson, and Janet Wilson. The other two girls, Mary Amato and Jane Murray are juniors. These helpers carry messages for the principal and run off stencils for the teachers. We wish to thank all of them for their prompt and useful services.

Student Council Provides Student Activities

The Student Council is under the direction and guidance of Miss Kerr. Each home-room selects at the beginning of the year a representative and alternate to represent the class. Many activities are provided by the Student Council, chapel services, recreation, after game dances, homecoming, Christmas Formal, and the daily use of the public address system. Proceeds from Thursday night recreation are used to replace and provide more equipment for school activities. The purpose of the Student Council is to furnish opportunity for participation in school government and to sponsor worthwhile activities.

Tiger Tales

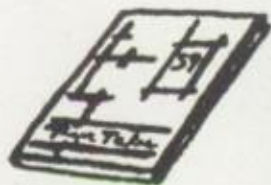

A Busy Staff Completes the Yearbook Early This Year

When we unsuspecting seniors joined the Tiger Tales Staff we had absolutely no idea of the hours of work, and worries; not to forget the fun, the yearbook would give us. We started our work by getting subscriptions from the students and selling advertisements to the Wellsville merchants. Then we planned our dummy yearbook. Now the work really started. We took pictures, made out copy sheets, rushed Mr. Horsley, wrote and typed copy, cropped pictures, worried Mr. Wilfing, and made mad rushes to make deadlines. But now the yearbook is completed. The rush, the worry, and the work are over and only the pride and joy of what we hope is a masterpiece is left. Tomorrow or years from now, our work will bring back to us all those near-forgotten, precious moments of a golden year of high school.

Each and every member of the "Tiger Tales" Executives and Staff would like to express our appreciation for the expert help and guidance given us by our sponsor, Mr. Charles Wilfing.

A Service Organization for Boys

The Key Club is a boys' club that serves both the school and community. The members are chosen by their grades, citizenship and leadership. The objects of the club are to develop initiative and leadership, to provide experience in living and working together, to serve the school and community, to co-operate with the school principal, to prepare for useful citizenship, to accept and promote the good ideals of life.

The club has participated in such activities as sponsoring the Homecoming, decorating the tree in the main lobby at Christmastime, and sponsoring a spaghetti dinner at the American Legion hall. The club is planning to enhance the appearance of our school by planting shrubbery around it.

The Kiwanis Club of Wellsville is the sponsor of the club and Mr. Wilfing is the faculty sponsor.

Y-Teens

Largest Organization for Girls

The Y-Teens is an organization open to all senior high school girls. When the club was first organized in Wellsville High the group was known as the Girl Reserves, and still uses the letters of that title to describe a true Y-Teen. Mrs. Estelle Elton and Miss Mahala Ingram have sponsored the club for quite sometime. One of the activities conducted by the Y-Teens is the Sweetheart Dance. Meetings are held on alternate Monday evenings in the visual education room.

Selling Papers . . .

Doing Assignments . . .

The Tiger Rag under the supervision of Mr. Richards has worked loyally to make a prominent school paper. Students from 7th to 12th grade have worked hard in raising the circulation of the paper. Our editor, Joyce Jones, has worked very hard in trying to improve the paper. We sincerely hope that some of the "Tiger Rag" people will further their ambition in journalism.

Student Librarians Run Library

The student librarians, who assist Mrs. Welch, offer great aid to students and teachers. They check books and magazines in and out of the library. In addition to this, they keep the books neatly arranged on the library shelves and keep the card catalogues orderly. Also, if anyone desires to find some information on a certain subject, he may rely upon the services of one of the student librarians. As a reward for their work, the librarians are given pins at the end of the year. There are gold pins for three years' service, silver pins for two years' service, and bronze pins for one years' service. At Christmas the librarians and Mrs. Welch have a gift exchange.

It is to be hoped that some of the librarians will continue in their work by entering into the broad field of library science.

Student Secretaries Assist Teachers

The biggest help to our teachers are the student secretaries. These Commercial students are real helping hands. Their duties comprise typing work sheets, tests, grade sheets, organizational letters, and mimeographing for a specific teacher. The secretaries' work is gratefully accepted and sometimes rewarded by the teachers.

F.T.A. Encourages Teaching Careers

The Future Teachers of America is the organization that enables students to find out whether they have the qualifications needed in the teaching profession. They get actual teaching experience by substituting for regular teachers who are absent. In this way the students can earn points for a pin at the end of the year. Three other ways they can earn points are by bringing in tax stamps, by working at the Future Teachers stand in the main hall or by working on the F.T.A. handbook.

At Christmas time the club had a banquet at Meade's Restaurant at which former club members, who are now freshmen at various colleges, were present. They told about life at their colleges.

In the spring the club will have a banquet and new officers will be installed. Miss Irwin is the sponsor of the club.

F.H.A. Helps Further Home Economics

This year makes about the tenth year for the Wellsville chapter of F.H.A. It is sponsored by Mrs. Margaret Doyle and Mrs. Evelyn Jordan. The main purposes of this club are to help further Home Economics not only at school, but at home also. The President this year is Mary Ola Hickman, Vice President is Becky Williams. Other officers are Secretary, Edith Trainer; Treasurer, Judy Johnson; Parliamentarian, Yvonne McIntosh; Reporter, Carol Bunfill; Historian, Gerri Farina.

Pep Club Aids School Spirit

Mr. Royd Hodge and Miss Vera Delaney are the sponsors of the Pep Club. The Pep Club has been organized in Wellsville for three years. It helps build school spirit for the basketball and football games. The Senior members receive a large orange and black Wellsville letter. The club purchased a large Wellsville banner for the school. It raises money from skating parties and fudge sales. The President is Judy Johnson, Vice President Janet Wilson, and Secretary Bonnie Campbell.

Commercial Club Acquaints Students With Secretarial Work

The main purpose of the Commercial Club is to acquaint the students with secretarial work. The club holds both social and professional meetings under the direction of the sponsors, Mr. Richard and Mr. Polesky. Their means of raising money is through pop-corn sales and sponsoring movies. From the profits raised on projects the club purchases special equipment for the commercial department. To become a member of the Commercial Club a student must be enrolled in the commercial course or have two years of typing.

W.H.S. Marching Band

The halftime entertainment at football games was provided by the W.H.S. "Tiger Swing Band." Directed by Mr. Ted Koenig, the band appeared in several parades during the summer and fall, climaxed by the Christmas Parade. To add that extra touch to the band's snappy performances were the high-stepping "Tigerettes," who thrilled the crowds with their many dance routines. The highlight of the season was the dance to the popular song, "Tequila."

W.H.S. Concert Band

After "packing" the marching band, W.H.S. unveiled its concert band. Shortly after football season ended, the band began preparing for the Christmas Festival which is its first concert performance of the year. The band plans to perform at the annual Spring Festival, class day, and commencement. Among the band projects were its annual magazine and candy sales. Proceeds from these drives will be used for new instruments, repairs, and a planned trip to Washington, D. C.

W.H.S. Majorettes

Our high-stepping Marching Majorettes under the leadership of Sandra DeJane, head majorette, Sheila Beohm, captain, and Darlene Morgan, co-captain, have marched smartly in front of the band at parades and at half-time ceremonies during football season. One of their dance routines which won praise was "Tequila."

A few of the places at which the group have performed are The First Baptist Church, The Methodist Church and several school functions. Future plans include chapel services, assemblies, and the senior class play. The Harmonizers are comprised of six girls and six boys.

Tenettes

One of the newest vocal groups to emerge on the musical scene this year is a group of girls who call themselves the "Tenettes." The group is comprised of ten girls and sings at various functions throughout the year. The girls have been well received. We wish them continued success.

An Exciting Night

Queen Paula Ross

The punch bowl workers

The Junior-Senior Prom was held in Beacon Memorial Gymnasium on May 16, 1958. Students, faculty, alumni, and their dates danced away the evening to the enchanting music of Bobby Vinton's Orchestra. The gym was turned magically into an oriental garden by the artistic use of a buddha and red and gold crepe paper. The highlight of the evening was the choosing of the prom king and queen from the following: Carolyn Heffner, Mary Ola Hickman, Kay Provost, Paula Ross, Janet Wilson, Dan Baldwin, Sam Monte, Bob Walker, Dick Wilk, and Bill Winland. At last the moment had arrived!

PROM COURT: Janet Wilson, Carolyn Heffner, Mary Ola Hickman, Kay Provost, Last Year's Queen, Erla Wolfe; Our New Queen, Paula Ross.

in Shangri-La

The prom court slowly walked in to a soft melody and took their places. Miss Hood, junior class sponsor, announced the queen to be Paula Ross and the king to be Sam Monte. Last year's queen, Erla Wolfe, crowned the queen and Paula crowned her four princesses. George McCready, junior class vice president, presented Miss Hood with a bouquet of red roses. All eyes were on the king and queen as they danced to a song played in their honor. After the prom, the Mothers' Activity Club sponsored a Post-Prom Party in the gym. Breakfast was served at the American Legion Hall at 4 a.m.

Our First Thanksgiving Dance

In place of the annual Sadie Hawkins Dance the Student Council sponsored a semi-formal dance this year. Chairs lined the walls for the students and their dates. Dancing was from 8:30-11:30 to records spun by Dee Jay Anthony Grande. The door prize, an orchid, was won by Theresa Comparetto and presented her by Bob Walker, President of Student Council.

The Sweetheart Dance Is on Valentine's Day

The annual Sweetheart Dance, which is sponsored by the Y-Teens, was held Saturday night, February 14, in the gym. A flower-covered heart and two cardboard figures of Cupid formed the entrance. The colors, red and white, were used to portray the theme "And Cupid Shot His Arrow." Spotlights illuminated the large flower-covered heart at the far end of the gym. Charles Sanfilippo and his Orchestra from Rochester provided the music for the dance from 8:30 to 11:30 P.M. The high point of the evening was the grand march which was led by the Y-Teen President, Shirley McDevitt, and her escort, Ron Kampfer. The dance, which was decorated by a committee headed by co-chairmen Paula Ross and Sondra Barnes, was one of the prettiest dances of the year.

1958 . . . Tigers Rebuild

This year's Tiger football team, under their second new coach in two years, Ken Woods, finished the season with a 2-won, 6-loss, and 1-tied record. This was obviously a rebuilding year for Wellsville. This year the Tigers again dropped their first two games. The first to a very strong Austintown Fitch team, 60 to 14, and the second to Toronto, 26 to 12. Against a very weak Chester squad, the Tigers got bad breaks and had to be content with a 6 to 6 tie. The Tigers then won their first game of the year and avenged a 61 to 3 setback of last year by beating Bellaire St. John, 6 to 0. Cadiz then got even for last year's upset by edging the fighting Tigers 18 to 14. Wellsville played hard but Salem racked up a 48 to 8 margin of victory at Salem. The next week, in what was perhaps the Tiger's best game of the year, they overcame a 12 to 0 half-time lead to beat Jefferson Union 18 to 12. Again repeating history, the Tigers dropped their last two games, one to Mingo, 34 to 8, and one to Lisbon, 36 to 0. Although we had a losing season, there was a noticeable pick-up in school spirit, and the boys were in there hustling all the way.

We Welcome a New Coach

Ken Woods, our new coach, came to Wellsville from Fairfield-Waterford, where he coached for three years. He also coached one year at New Haven. Coach Woods attended Cedarville College in Cedarville, Ohio, where he received his B.S. in Physical Education. He also received his M.A. in Physical Education at the University of Pittsburgh.

Jack McDevitt, assistant, was graduated from Fairmont State College, Fairmont, West Virginia, with a B.A. in Physical Education.

Carl Firm, assistant, was graduated from Kent State University in 1957.

Royd Hodge, assistant; attended Ashland College and Ohio State University. He has received his B.S. and M.A. in Education.

The Key Club Sponsors Homecoming

Class President Dick Wilk Crowns Homecoming Queen

On the night of November 14 during the Lisbon-Wellsville game, the crowd was filled with anticipation, for during the half-time ceremonies, the 1958 Homecoming Queen would be crowned. Impatiently waiting in convertibles were the five candidates: Sandy DeJane, Mary Ola Hickman, Shirley McDevitt, Lana Phillips, and Kay Provost. Their escorts were John DeFilippo, Ronnie Kampfer, Martin Stemple, Dan Baldwin, and Larry Lewis. At last it was half-time! Mary Ola Hickman was announced to be the 1958 Homecoming Queen. Dick Wilk, senior class president, crowned the queen, amid the crowds' cheering and shouting. Mary Ola and her four princesses were presented bouquets of flowers from the Student Council.

After the game, a dance, sponsored by the Student Council, and in honor of the queen and her court, was held in the gym.

Shirley McDevitt, Lana Phillips, Queen Mary Ola Hickman, Sandy DeJane, Kay Provost.

Cheerleaders Encourage School Spirit

RESERVE CHEERLEADERS—KNEELING: Carol Skeens, Pennie Call, Dennie Paisley. STANDING: Trudy Wyand, Connie Plate, Captain, Joyce Thompson.

The varsity cheerleaders have done a splendid job of leading the students in cheers for games, pep rallies and snake dances. With the help of the Omni-Activity Club, the girls bought new two-piece, chemise uniforms. Paula Ross, the varsity captain, has worked hard with the girls to boost students' and players' morale.

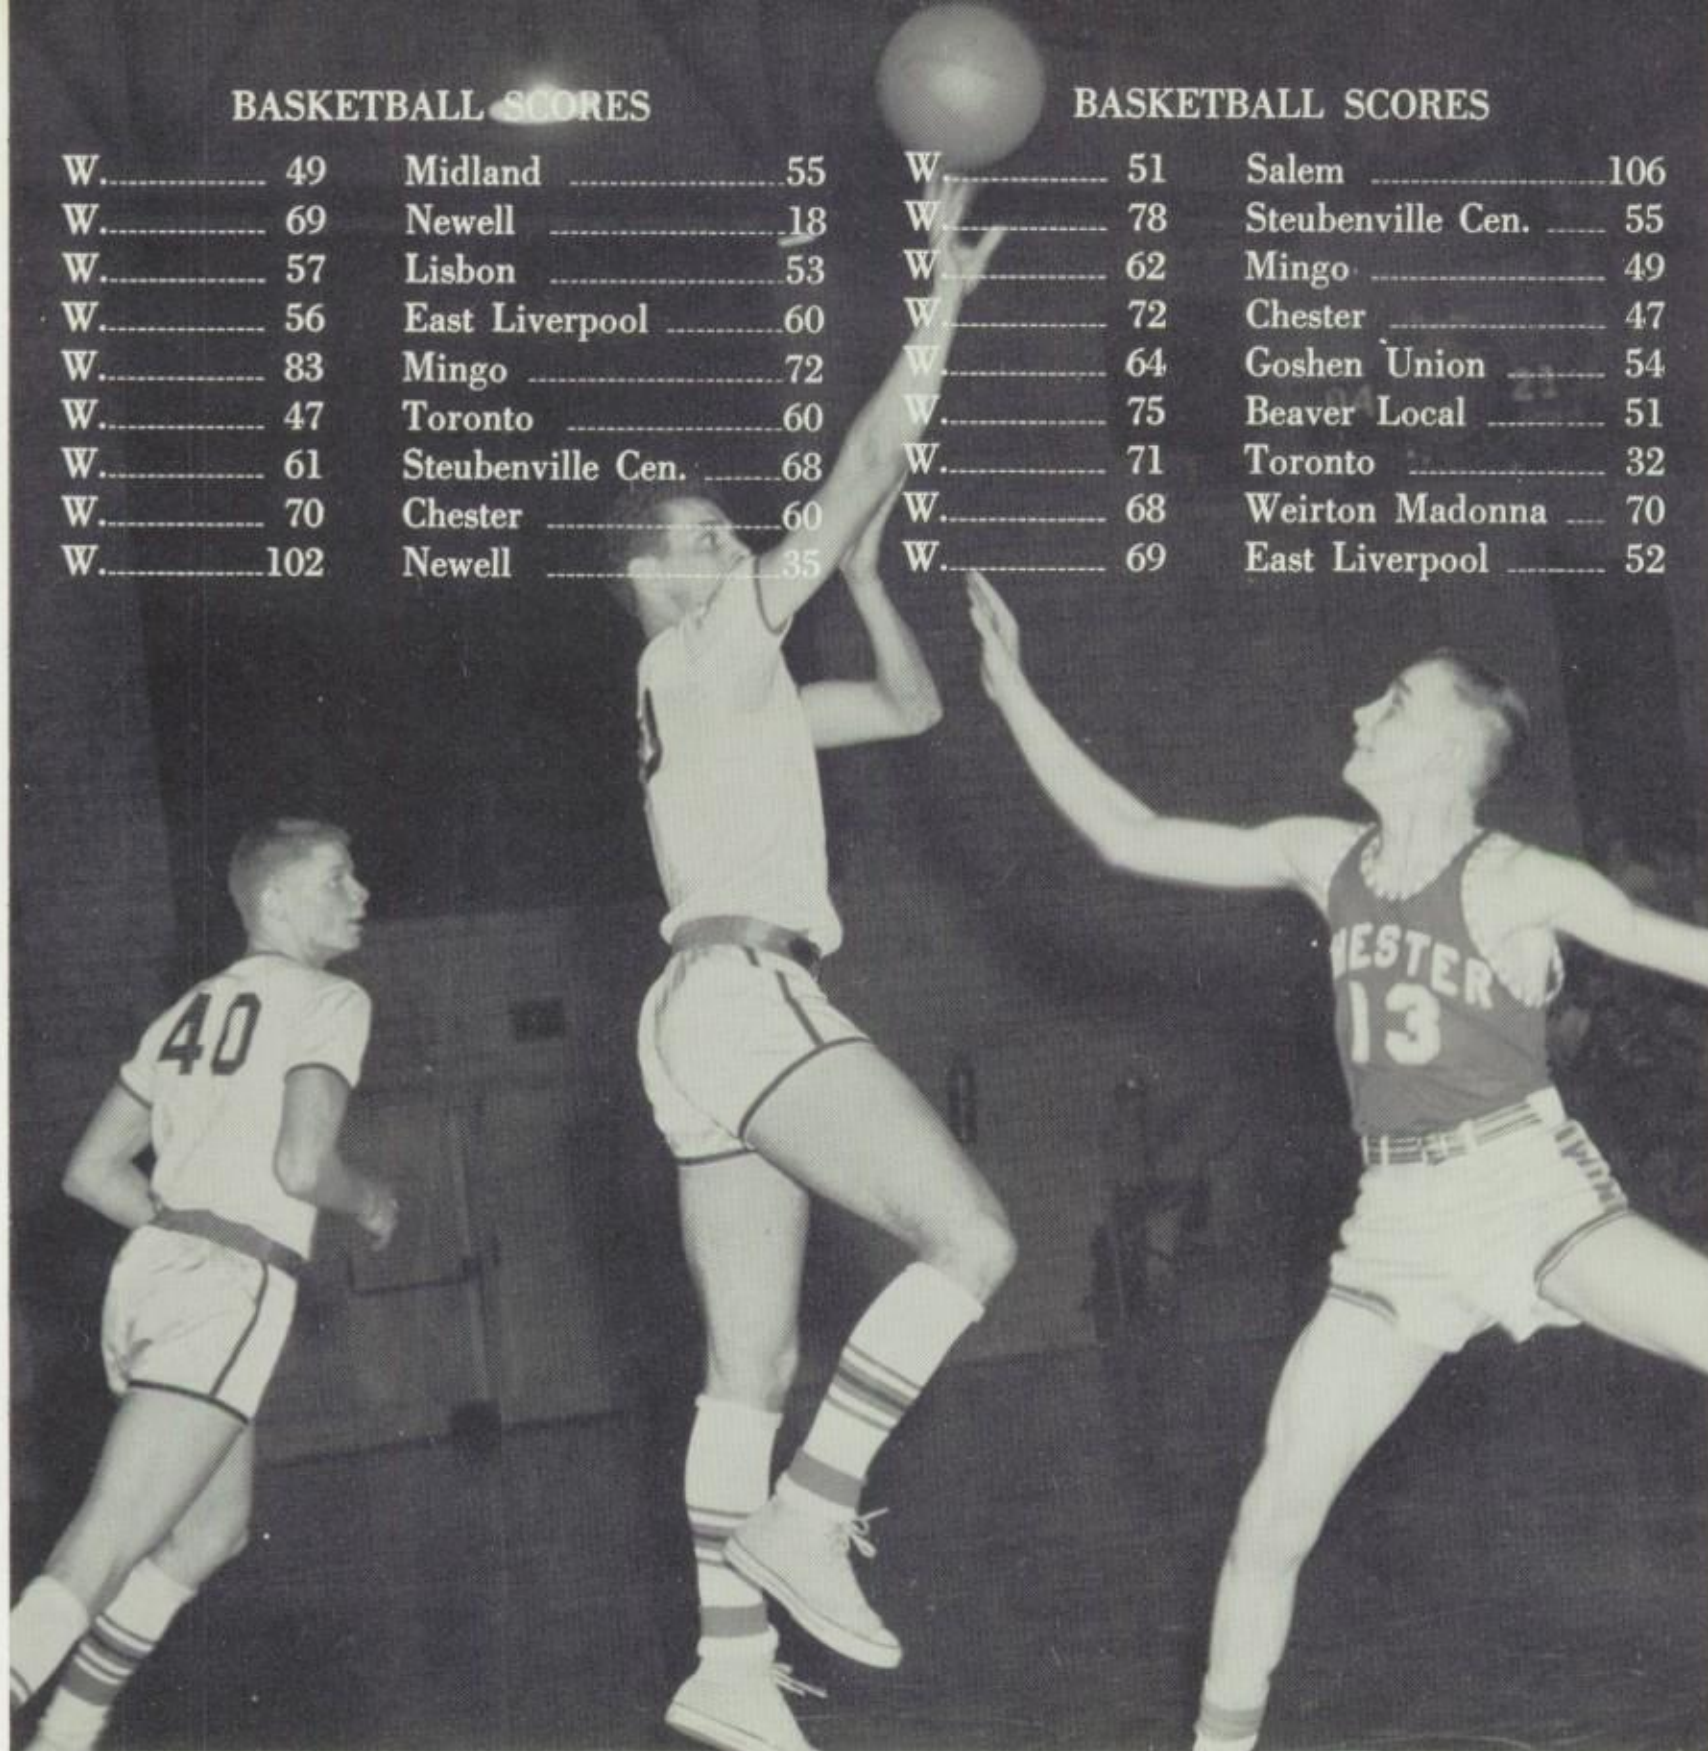

The reserve cheerleaders have cheered our reserve team on to victory, assisted the varsity cheerleaders at pep rallies, and improved school spirit. The reserve's captain, Connie Plate, has coached the girls very well. The students have really responded well to all cheers, especially "Go, Team, Go!" Everyone, including their sponsor, Miss Vera Delaney, is very proud of our cheerleaders.

Basketball Team Has Good Season

A combination of fine team play and good coaching by Jack McDevitt gave this year's basketball team a winning season. This season also saw senior All-Ohio candidate, Dan Baldwin, break the 1,000 mark for his high school career. He also led the district in scoring with a better than twenty point per game average.

The Bengals dropped a close first game to a tough Midland five. They then won two, beating Newell and edging Lisbon. After outplaying East Liverpool for three periods, the Orange and Black dropped a thriller. The next game saw Wellsville defeat Mingo. The Bengals then dropped two, one to Toronto and one to Steubenville Central. Having better luck, they then beat Chester and stomped Newell. The Salem Quakers, ranked fifth in the state, handed Wellsville their worst defeat of the season. Playing tremendous ball, the Bengals then proceeded to win five in a row defeating Steubenville Central, Mingo, Chester, Goshen Union, and Beaver Local. Facing a good Toronto five for the second time, the Orange and Black played a fine game to win easily. The Bengals' six-game winning streak was then ended in the closest game of the year by Weirton Madonna.

Reserves Show Good Potential for Future

The Bengal Cubs, under coach Carl Firm, showed a lot of spirit and hustle to provide Bengal fans with an exciting season. Lamp, Comparetto, DeSarro, and Gray saw a lot of varsity action while turning in fine performances for the reserves throughout the season. Bob Delposen, fullback of the football team, proved his worth in basketball by hitting in the double figures consistently. Sophomore twins, Roy and Ray Crews, showed great potential as good players. All in all, it looks as though Wellsville is going to have some great basketball teams in future years.

Boys' Intramurals Provide a Noon-Hour Activity

Jump-Ball!

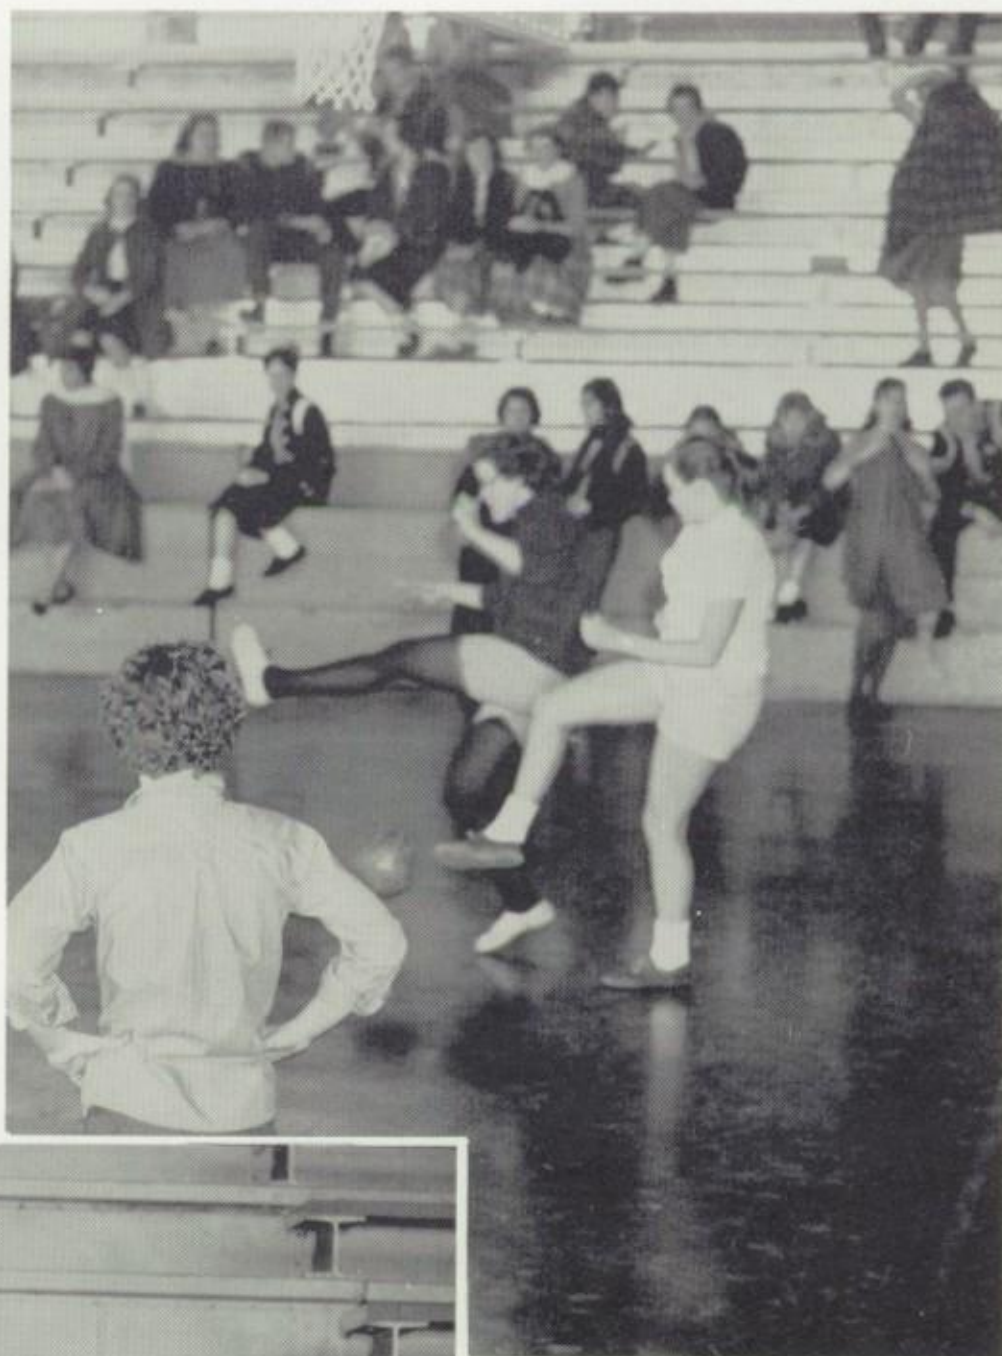

This year one of the outstanding activities in our school is the boys' intramural program, under the direction of R. J. Hodge. The intramural program includes basketball, volleyball, and badminton. All high school boys can participate in intramural sports with some exceptions. The varsity, reserve and freshman basketball boys cannot participate in the basketball program. Every effort is made to promote sportsmanship and good spirit among the players and spectators. The basketball and volleyball leagues are fully organized with playoffs for the championship. The badminton tournament is also well organized with one person emerging as champ. The intramural program is held at lunch hour every Monday, Wednesday, and Friday.

SPONSOR AND CAPTAINS: Mr. R. J. Hodge, Sponsor; Marty Stemple, Mike Mellott, Jim Joy, Jack Jordan, Ronnie James, Gary Merriman.

Girls' Intramurals Provide Many Sports

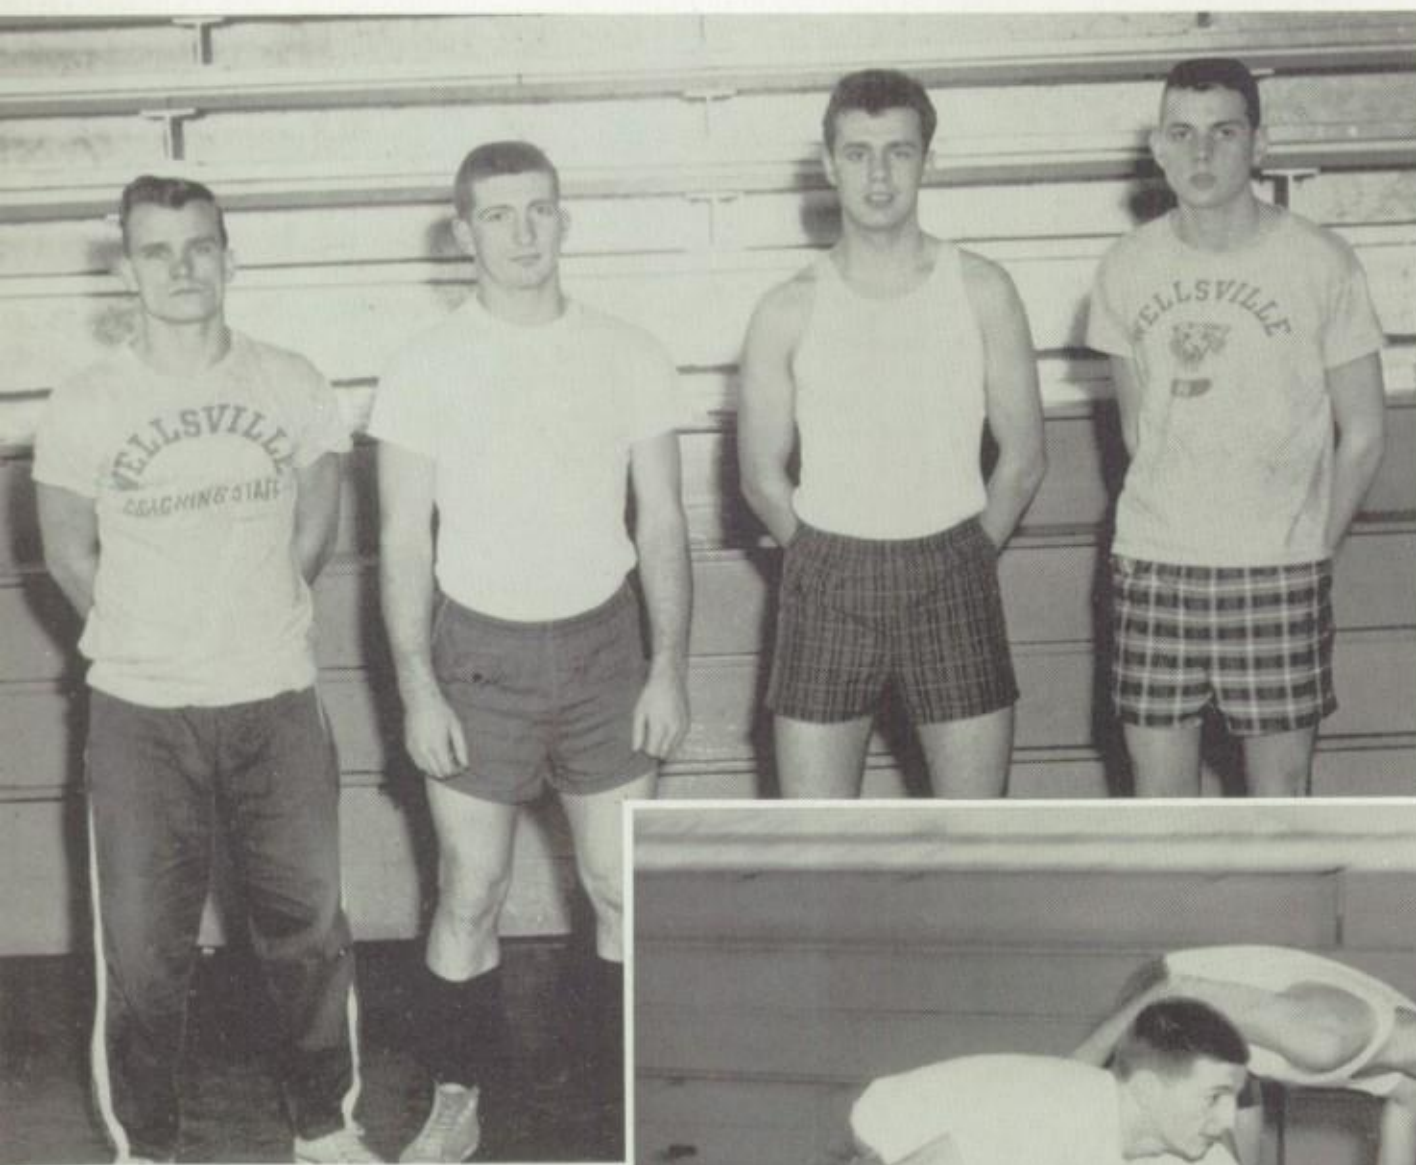

Girls' Intramurals were one of the most interesting activities for girls this year. The program was under the supervision of Miss Vera Delaney, girls' physical education instructor. A schedule of games was set up early in the year and has been in operation during the lunch hour in the Beacom Memorial Gymnasium. The girls have participated in a wide variety of sports activities such as volleyball, baseball, basketball and kickball.

One more kick!

SPONSOR AND CAPTAINS: Miss Vera Delaney, Sponsor; Mildred Myers, Betty Gorby, Marion Pease, Shelby Bunfill, Angie Metz.

Track Coach Ken Woods, Returning Lettermen, Bob Delposen, Dan Baldwin, Bob Kiggans.

On your mark, get set, go!

Track Team Hopes to Give Its Best

At the time Tiger Tales went to press, it was too early to make a good prediction on the track team. This year's team will be under the direction of the new football and track coach, Ken Woods. There will be three lettermen back from last year's team. Senior Dan Baldwin will be running the mile relay and the 880-yard relay. Junior Bob Delposen will throw the shot and run the 100 and 220-yard dashes. Sophomore Bob Kiggans will participate in the high jump. One thing is certain, the Orange and Black thin-clads will give it all they have got.

The play took place in the living room of an old house in Connecticut. The Gage family, after restoring it to its colonial state, had just moved in. Many incidents occurred from the time Frieda entered the living room carrying the three ashtrays, until Walter rushed in bearing the news that Mrs. Gorley wasn't expectin' no more!" Elections were held by the students, tests given and appointments made. Dick Wilk was elected Mayor and served all day with Mayor William Shoub. Others elected included the auditor, Mary Ola Hickman; solicitor, Ron Kampfer; treasurer, Carolyn Heffner; and all the officers of council. Police Chief John Hephner and Fire Chief Robert Lewis prepared tests for selection of students to serve in their departments.

Seniors' Last Prom Was a Midsummer Night's Dream

A Shakespearian work provided the theme for the 1959 Junior-Senior Prom. A huge success, "A Mid-Summer Night's Dream," was every bit of that and more! A garden gate bedecked with roses and guarded by two tiny gatemmen formed the entrance to the dance floor. A drop ceiling of pinks draped the top and decorated tables surrounded the floor. As the magical hour arrived the five chosen girls: Sondra Culp, Vonda Culp, Virginia Leone, Sylvia Siudak, Diane Wilke, and boys: Eddie Bauer, Bob Brown, John Caruso, Frank Cianni, Bob Delposen, entered the gates and proceeded to the waiting thrones where the 1958 Prom Queen, Paula Ross, crowned the new queen Diane Wilke. The 1959 King, Bob Brown, was crowned by Sam Monte, 1958 King. The new king and queen led the royal dance and took their place in the ranks of Wellsville High School's past royal couples and thus made this year's prom one of the nicest ever held.
